KEY DRIVERS

TO OUR SCHOOL MANAGEMENT APPLICATION

1. CHILD SECURITY - Ensures the Safety and Security of Children Under Your Care

Secure, Quick & Stress Free Drop-Off & Pick-Up

- Give your school a digitalized system that allows you to automatically capture daily students' attendance.
- Send instant notification to parents of the exact time their children are either dropped off or picked up from school daily.
- Generate daily, weekly, monthly and termly attendance reports for NaSIA, GES and any other stakeholders with just a press of a button
- Provide your school with a digitalized system that automatically follows up all absent students when your drop-off period is over.

Eliminate Delays & Traffic Jams During Pick Up

- Provide parents the ability to notify their children's class teacher ahead of their arrival time to avoid long waiting time and stress.
- Make it super easy for your school to reduce traffic jams and chaos during peak pick-up times.

Absent And Lateness Requests

- Save parents time by making it easy to inform your administrators should their children be late or absent for school without the need to call the school
- Allow your school to follow up on all children who are absent or late and make preparations for them when your drop-off period is over.

Automatic Verification of Drop-Off and Pick-Up Persons

- Strengthen security in your school at dismissal times by ensuring that every child is picked up from school by the right person with records to prove it.

Automatic Pickup Persons Management

- Conveniently allows parents to add/remove pickup persons/delegates with just a tap of a button without necessarily having to introduce them to the school in person.
- Makes it easy for your school to enforce court action regarding parents who have custody of the child during pick-up.

HOW PARENTS PAY MATTERS! - Make it Easy with SmartSapp Pay

- Saves your accountant(s) time when raising invoices/bills and assigning them to specific student(s), entire class, campus or school
- Distributes automatically, hundreds and thousands of invoices/bills to parents without having to incur extra cost on printing.
- Makes it safe and convenient for parents to pay for fees from anywhere, anytime with the click of a button on their phones without the need to go to the bank
- Allows parents to submit bank slips/cheques as proof of payment through the app without the need to visit the school
- Eliminates the issuing of paper receipts as proof of payment by your accountant(s) by sending parents instant electronic receipts on every payment made
- Gives your school an automatic means to follow up with parents who have outstanding bills to pay without the need to call them.

- Reconciles all payments automatically in order to eliminate all errors and delays associated with manual processing.
- Implements a digitalized system that enables parents to put money in their children unique QR codes that stops students bringing physical cash to school
- Reduces the cases of theft among students as a result of students having to handle physical cash

3. ELIMINATE CASH HANDLING / PAPERWORK FROM YOUR SCHOOL CANTEEN OPERATION

Canteen (Digitalized and Paperless Canteen Management)

- Allows your school to easily and automatically allocate meal tickets/coupons to students on a daily, weekly, monthly or termly basis depending on the amount of money paid.
- Enables your school to determine in real time the feeding list of students who have paid and are entitled to have access to the canteen to prevent losses
- Displays on a dashboard for your school the total number of students who have patronized the school's canteen across all campuses without having to do a manual headcount
- Guides your school on how to easily identify the allergies of every student and manage them properly on behalf of the parents.
- Demonstrates to parents an easy way out to order meals for their children.

CASHLESS SCHOOL OPERATIONS

- Make it convenient for parents to pay for their children's meals with the tab of a button without the need to visit the account office or go to the bank.
- Eliminate the handling of cash by both students and staff within your school to curb theft and making your school a target for robbery
- Make all sorts of sales in your school without accepting physical cash.
- Determine in real time on dashboard total sales made within a time period.

4. SCHOOLS ARE EXCITED WITH OUR ACADEMIC REPORTS. SEE WHY?

- Flexibly design your school's academic report templates much to your desired specification.
- Allow your school to generate varied academic report assessment types (scored based and/or skill set based assessment reports)
- Enable your school to give parents visibility into their children's daily, weekly, termly and progressive academic reports.

- Assist parent to keep track and have records of all their children's academic reports and progress throughout from anywhere
- Parents can easily download and print their children academic reports without the need to come to the school for a printed copy.
- Your school can easily issue transcripts of all students (present and past) with the click of a button.

5. HOMEWORK MANAGEMENT

- Allows your teachers to easily create teaching and learning materials, resources and videos to be shared with students to facilitate lesson delivery in class
- Makes it easy for your teachers to electronically assess students having taught them a particular topic by creating standard quizzes/tests and/or assignments
- Saves your entire teachers time by auto-grading/marking all quizzes/tests and assignments submitted by students
- Gives parents absolute visibility into assignments given to their children, those submitted, those overdue and the children performance in each of them

6. LESSON SCHEDULE

- Uses a digitalized system that allows your school to schedule all of its lessons across all classes and campuses
- Allows your school to easily share its lesson schedule/ timetable with parents with a mere click of a button
- Makes it convenient for parents to follow through all subjects and topics that their children were taught in school on a regular basis

7. DROP OFF DENIAL

- Provides a digitalized system that helps the school to automatically identify and stop fee owning students from being dropped off in school
- Reduces drastically, the levels of students owing fees in your school
- Promotes and enforces the disciplinary actions of the school by providing a platform that ensures that students have served their disciplinary terms before admitted into the school.

8. CONNECTED COMMUNITY

Seamless School Communication Platform

- Sends various school communications (text, images, videos, documents, links) to parents electronically.
- Solicits for parents' views, opinions, suggestions, comments and ideas electronically without having to call for PTA meetings.
- Sends targeted messages to parents whose children are within a particular classroom, campus or the entire school.
- Allows parents to like and comment on all school communications from wherever they are without them having to come to the school.
- Regulates and moderates all parents' comments regarding posts sent to them by giving final approval to them.

Success in meeting these objectives will be measured by the following factors:

- Daily check-in/checkout records of all students will be captured automatically
- ZERO traffic congestion within the school premises during pick-up and drop-off times
- Instant notifications to parents when their children are picked up or dropped off
- Provide daily late pick-up and drop-off records for all students
- Reduce current drop-off and pick-up time from 20 mins to less than 30 seconds
- Cashless canteen operations
- Parents get electronic receipts for all payment made through SmartSapp
- End of term academic reports will be easily accessible to parents from the comfort of their homes.

Impact on your Long-Term Goals

1. Improved service delivery to parents.

2. Increase in school enrollment resulting in a long waiting list.

3. Improved students' performance.

4. Flexibility to charge more in fees with little or zero push back from parents.

5. Attract and retain more skilled teachers.

6. Attract the right parents to your school with positive word of mouth.

Thanks for taking care of this.
Yours Faithfully
