Parents:
Order meals for your ward(s) from the comfort of your home

Do you know what your ward eats at school?

Proper nourishment is a vital part of your child's development, that being said, what your child eats at school is of the utmost importance.

About Canteen Module

The SmartSapp Canteen Module, gives you full control over what your child eats while at school. Enjoy full access to the school menu to help you make informed decisions about your child's nutrition, as well as take note of any foods or snacks they may be allergic to.

Benefits

- Parents easily pay canteen fees from anywhere
- Monitor and select food options for your ward(s)
- Easy access to weekly meals to help you balance your ward's diet
