You do not need to convince any school to sign up or implement this system, the impact speaks for itself

Richard – Security & Safety Assurance Manager – GIS

Collect All Your Fees within 4 weeks of re-opening

is fee collection your school's Achilles Heel? Then that's about to change.

With SmartSapp, you can:

- Automate billing with just few clicks
- Co-ordinate Mobile, Bank and over the Counter Payments
- Chase up Outstanding bills Automatically
- Our Flagship Feature – Drop off denial deals with fee defaulters without human intervention
- Customize Payment plans for parents
- Issue instant electronic receipts
- Automatically reconcile all payments and receipts

In general, I'll say we were able to collect 95% of our fees from our parents by the launch of SmartSapp
Evans – Accountant at Exquisite Int'l Sch.

Academic Work Management made easy

One change that can enhance your academic work and reports while giving parents 100% visibility into their children's academic progress.

- Manage lesson materials and make available to students at home
- Create, Monitor and Mark homework and assignments
- Automatically grade quizzes and assignments
- Taylor your report Cards to your school's requirement
- Parents have access to Learning Materials, Homework, quizzes, and assignments via SmartSapp, email and SMS
- Parents have ready access to Academic Reports on their phones

Cashless Canteen Operations

Eliminate the handling of cash in your school canteen. Go Cashless and prevent losses, late payments and accounting challenges.

SmartSapp ensures your school is safe and students are well accounted for by providing:

- Plan weekly, bi-weekly Menu for Students
- Students and parents select their meals from anywhere, anytime.
- Reduce loses in the canteen by cooking the exact numbers
- Parents can send money directly to their children's School ID Cards
- Students Redeem Meals with Coded ID Card
- Get more parents into your canteen with visibility

Seamless Parents Engagement Operations

Do your parents miss out on important school notifications?
SmartSapp provides your parents a portal into their children's
academic world no matter their schedule.

- Homework and classwork updates
- Lesson Notes and Schedule (Time Table)
- Drop off and pickup alerts
- Absent and lateness requests and follow-ups
- Academic Report and progress Reports
- Fee payment and reminders
- Direct and group discussions with parents and vice versa

Eliminate Staff Lateness & Absenteeism

- Are you happy with the way you are currently tracking staff attendance:
- Do staff have to manually sign in, and out of school?
- Do you struggle to get an accurate timesheet for payroll?

Your Staff is Your Backbone

You need your staff to run your school. The great news is; SmartSapp is helping schools to deal with Staff Attendance tracking and it's related challenges.

- Track real-time attendance of staff in a convenient way
- No staff can take attendance outside school premises
- Notifications for absent or late staff
- Transparency with staff attendance data
- No Payroll errors
